# TK-5C

## 2-Way Bookshelf Speaker

### Applications:

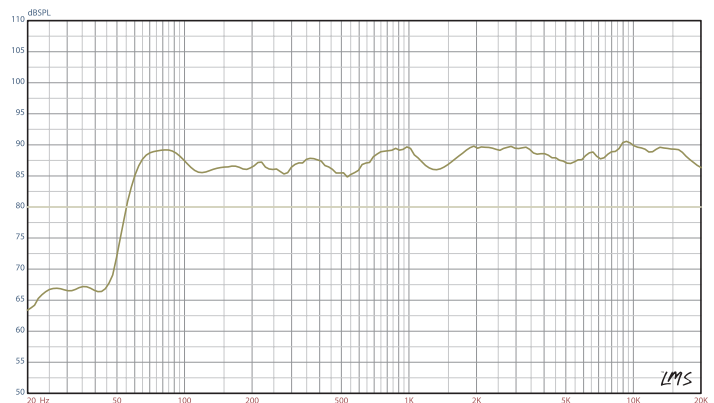

The TK-5C bookshelf speaker is small enough to coordinate with virtually any decor, but is capable of the performance necessary to satisfy die-hard home theater enthusiasts. The perfect surround channel counterpart to any TK Series theater system, the TK-5C can be used for main front left and right main channels when space is at a premium. The TK-5C's durable construction and bullet-proof performance can also be combined with TK Series in-wall and in-ceiling speakers for a truly custom home theater system.
